REPRODUCTIONS

Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces. We catalogue all items as seen, and offer no guarantee as to their authenticity. The terms 'bronze', 'silver' and 'gold' refer to the grades in which medals, badges, etc., were awarded and not to their composition.

Items described as (PATTERN) are an example of the described item with no guarantee of age or authenticity.

Please note all post 1939 air guns can only be shipped by licenced couriers to a registered Firearms Dealer and not a private address.

The auctioneer shall rule the bidding and no bid shall be retracted. The auctioneer reserves the right to refuse any bid. The bidder in the room who is successful in purchasing any lot or lots is entirely responsible for paying for such lot or lots in accordance with our general conditions of sale. The buyer shall pay any VAT which may be due on any amounts owed by the buyer under these conditions of sale at the rates prevailing on the day of the auction.
- 7 AUCTIONEERS MARGIN SCHEME** - The Auctioneers Margin Scheme allows auctioneers to sell items without VAT on the hammer price. Under the margin scheme an amount equivalent to VAT at the current rate is added to the buyer's premium. This amount cannot be refunded. The VAT element will not be shown separately on the buyer's invoice.
- 8 PAYMENTS**

Purchaser - Our methods of payment are with bank transfer, cash, debit card (in person only) or by cheque supported by a bankers reference. All purchases must be paid in full on the day of the sale before any lot is removed from the premises. No goods will be released to buyers unknown to the auctioneers without adequate reference or before their cheques have cleared. Anyone who, for whatever reason, is unable to pay for their goods on the day of the sale must inform the Saleroom Manager as to when payment will be made. Credit card payments are not accepted.

Vendor - Vendors will normally receive proceeds of sale 10 working days after. However, where individual consigned Lots have sold for £500 or above Durrants reserve the right to hold payment until we have been paid by the purchaser. We also reserve the right to rescind a sale, if it is clear that having pursued all the usual channels Durrants are unlikely to receive payment on the Lot in question. In such circumstances, the Lot(s) involved will be reoffered in a later Sale with the sale reserve (if applicable).

Whether any such statement is made orally or in the catalogue it is an expression of opinion. Each buyer by making a bid for a lot acknowledges that he has satisfied himself fully as to the attribution and condition of the lot. If any damage is done to any lot at the viewing or before, during or after the sale, such damage shall be made good by the person committing such damage, principals being responsible for the acts of their servants, such damage to be assessed by the auctioneers. The purchase price will be refunded once the sum has been returned to Durrants by the Seller.

If before the proceeds of the sale have been paid to the Seller Durrants receives notice from the buyer that, in the buyers view the sale should be rescinded and Durrants agrees with that view, Durrants will rescind the sale and refund to the Buyer any amount paid to Durrants in respect of the Lot, and if such notice is received after payment of the proceeds of this sale the Seller will on notice reimburse Durrants to the full amount of the sum refunded to the Buyer.
- 26 REPRODUCTIONS** - Owing to the large number of Third Reich and other uniforms and accoutrements being used for films, television and plays, it becomes increasingly difficult to ascertain the authenticity of certain pieces. We catalogue all items as seen, and offer no guarantee as to their authenticity. The terms 'bronze', 'silver' and 'gold' refer to the grades in which medals, badges, etc., were awarded and not to their composition. Items described as (PATTERN) are an example of the described item with no guarantee of age or authenticity
